27th January 1960

Dear Roger,

Following my letter to you of 20th January on the subject of Sheringham's visit to Washington and your Bureaus on the West Coast and Far East, I am now able to give you the details of his flight schedules and attach them as a separate note to this letter.

I am most grateful to you for agreeing to this trip which I think will be of great benefit to the general operation, and I confirm that it is not my intention that he should visit the European Bureaus. Our liaison with Cyprus is sufficiently close not to make such a visit necessary by Sheringham, and I am not anxious that he should be away for longer than necessary for various reasons here. You will see from the schedule that he is breaking his journey between Okinawa and Saigon in Hong Kong, but we of course are making arrangements ourselves for his stay there.

Thank you for letting me know of [redacted] visit to London from 15th - 20th February. We will be very glad to see him and give him all the assistance and information which he may require.

With kind regards,

Yours sincerely,

J. T. Campbell
Head of Monitoring Service
